

Exterior Improvements

Planned Schedule 2023-2025

Barstow Community Hospital is committed to a program of exterior improvements and upgrades to our campus over the next couple of years. The table below shows a comprehensive timeline of these planned improvements.

Date Range	Work To Be Completed	Area
COMPLETED	Clean dead brush, trash removal and start removal of above ground PVC lines	Front slope on Mt. View Street
COMPLETED	Install new barrier wall and landscaping	Lower level parking lot
COMPLETED	Refurbish all directional signs on property & convert to LED	Facility grounds
COMPLETED	Convert existing parking lot pole lights to LED. Install additional LED lighting for dark areas in lots.	Employee and visitor parking lots
COMPLETED	Install new decomposed granite, plants and drip lines	Helen Runyon & Mt. View Street BCH sign area
March 1, 2023 to May 31, 2024	Touch up red curbs & re-stripe parking lots	Employee parking lot and lower lots. All red curbs.
May 1 to July 30, 2024	Start grading slope, remove excess brush and installing barriers for gravel and rock placement	Mt. View Street slope
May 1 to Dec. 30, 2024	Begin phases of installing 3/4-inch gravel layout in sections of slope. Start on North side. Install decomposed granite on lower parking lot area and curbing side	Mt. View Street slope & lower parking area. Both entrances to parking lot.
Jan. 1 to June 30, 2025	Begin phases of installing 3/4-inch gravel layout in sections of slope. Continue from middle to south slope	Mt. View Street slope
July 1 to Oct. 30, 2025	South slope will be designed with 3/4-inch gravel in sections with barriers. Lower section will get ground cover	Mt. View Street slope
